ABOUT US

Maharashtra Rail Infrastructure Development Corporation Limited (MRIDC popularly known as MahaRail) is aimed to provide a boost to the Rail Infrastructure projects in the Maharashtra State on the principle of co-operative federalism. There are several regions in Maharashtra State, having long pending demands for construction of new Railway lines. There is need for development of Rail Line projects for critical connectivity and capacity enhancement in Rail Infrastructure project in the State. Accordingly, it is aimed to identify, develop and implement such Rail line projects.

MRIDC has also been entrusted with the responsibility of construction of Road over Bridges (ROBs) and Road Under Bridges (RUBs) in the entire Maharashtra State to replace the existing Level crossings which are bottle neck to Road & Rail traffic both causing great inconvenience to public. There are many such level crossings which are identified by MRIDC and divided into three phases which involves larger scope of construction of ROBs in the Maharashtra State.

FORMATION

In order to meet the growing demands for construction of new projects and also to expedite the implementation of planned projects, Ministry of Railways initiated the scheme of project development, financing and monitoring through formation of Joint Ventures/SPVs with State Government. Government of Maharashtra has created a joint venture named Maharashtra Rail Infrastructure Development Corporation Limited (MRIDC) that started functioning from July 2018 for implementation of various Railway Projects & Construction of Road Over Bridges in lieu of level crossings in the territory of Maharashtra.

The authorised share capital of MRIDC is Rs. 100 Cr. with contribution of Rs. 50 Cr by Govt. of Maharashtra and Rs. 50 Cr by Ministry of Railways. The Corporation is having wide ranging jurisdiction as mentioned in the Memorandum of Association (MoA) and has immense potential to perform and grow. However, the Corporation will carry on the business ordinarily within the jurisdiction of Maharashtra.

MESSAGE FROM MANAGING DIRECTOR Rajesh Kumar Jaiswal

Over the last year, MahaRail has continued to play an important role in the development and improvement of the state's Rail Infrastructure. Many Road Over Bridges (ROBs) are nearing completion and will soon be offered to the public for travel in various areas throughout the state. Our efforts are consistent with our aim of promoting sustainable development and economic prosperity through strong transportation infrastructure.

Dear Stakeholders,

It gives me great pleasure and pride to submit the 6th Annual Report of the Maharashtra Rail Infrastructure Development Corporation Limited (MRIDC) or MahaRail for the fiscal year 2022-23. In retrospect and given the triumphs and hardships of the last year, it is clear that our journey was one of resilience, ingenuity, and unwavering commitment to our objective.

Facing relentless international health crises, which have aggravated economic turbulence, triggered wide-ranging shifts in markets, and posed numerous obstacles, our efforts outcome fell short of our aspirations. Nevertheless, our resilience in acknowledging and adapting to change has remained a key component of our success. By persistently adapting, evolving, and wholeheartedly embracing change, we have surmounted countless challenges, paving the way for future success.

Throughout the journey, we attained excellence in all aspects of our operation, which ultimately enhanced trust and loyalty from our stakeholders.

Railway Line Projects

I am thrilled to announce that the Expanded Board Meeting, chaired by the Chairman & CEO of the Railway Board, along with members from Niti Aayog and the Ministry of Finance, granted approval to the Detailed Project Report (DPR) for the Pune – Nashik Semi High-Speed Railway Line with electrification on April 28, 2022. The preliminary design has been completed by the MRIDC team, and the process of land acquisition has commenced in Pune and Nashik districts, respectively. This project, estimated at Rs. 16,039 Crores, will traverse through Pune, Ahmednagar, and Nashik districts, collectively known as the Golden Triangle of Maharashtra. The reduced travel time between Pune and Nashik, expected to be covered within 1 hr. 30 min. by the Semi High-Speed train, will catalyse socio-economic growth in the region.

Additionally, MRIDC has received Cabinet approval for the financial participation of the State Government for the Gauge Conversion work from Narrow to Broad Gauge Railway Line between Nagpur (Itwari) – Nagbhid (116 Km). Estimated at Rs. 1,400 Crores, this project is progressing rapidly, with MRIDC utilizing advanced technology such as the NTC machine

for laying the Railway Line. The new Broad Gauge Railway Line will alleviate congestion at Nagpur station, facilitating expedited coal movement from coal mines and ensuring faster movement of passenger and freight trains along this route.

Road Over Bridges (ROB) / Road Under Bridges (RUB) Works

Under the Setu Bandhan program, aimed at eliminating all Railway Level Crossings on National Highways across the country, the Ministry of Road Transport and Highways (MoRTH) has entrusted MRIDC with the implementation of 20 ROB/RUBs across the state under the Central Road Infrastructure Fund (CRIF) scheme. Presently, MRIDC is overseeing the construction of ROB/RUBs at over 100 locations, which will soon be completed and commissioned for traffic movement.

I would like to express my sincere gratitude to our stakeholders, including the Central and State Governments, the Ministry of Railways, MMRDA, MCGM, KDMC and other regulatory authorities/agencies, for their unwavering support and trust in our organization. It is through our collective partnership and collaboration that we are able to achieve our objectives and fulfil our mission.

In conclusion, let us approach the future with optimism, confidence, and determination. Together, there is no challenge too formidable, no goal too ambitious, and no obstacle too daunting for us to surmount. As we continue our journey forward, let us remain united in our purpose, inspired by our vision, and guided by our values.
Thank you.

Thank you.

Independent Auditor's Report

To,
The Members of Maharashtra Rail Infrastructure Development Corporation Limited
Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of Maharashtra Rail Infrastructure Development Corporation Limited ("the Company"), which comprise the balance sheet as at March 31, 2023, the Statement of Profit and Loss for the year then ended, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditor's report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's

report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable, prudent, design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud

- or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
 - 3) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - 4) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - 5) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent

applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.

(e) Being a Government Company pursuant to the Notification No. GSR 463(E) dated 5th June, 2015 issued by the Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of Section 164 of the Act, are not applicable to the Company.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(g) As per Notification No. GSR 463(E) dated 5th June, 2015 issued by the Ministry of Corporate Affairs, Government of India, Section 197 of the Act is not applicable to the Government Companies. Accordingly, reporting in accordance with requirement of provisions of section 197(16) of the Act is not applicable on the Company

(h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations as at 31st March 2023 on its financial Position (Refer Note 18 to the financial statements)

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on our audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

v. As required by section 143 (5) of the Companies Act, 2013, our comments in regard to the directions and sub - directions issued by the Comptroller and Auditor General of India is given in Annexure "C".

ANNEXURE - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Maharashtra Rail Infrastructure Development Corporation Limited ("the Company") as at 31st March 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 2: Significant Accounting Policies

a) Basis of preparation:

The Balance sheet, Statement of profit and loss, Cash flow statement and a summary of the significant accounting policies and other explanatory information (the 'Financial Statements') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2021 (as amended) and the relevant provisions of the Act. The Financial Statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the Financial Statements are generally consistent with those followed in the previous year.

b) Presentation of the Financial Statements:

The Financial Statements have been prepared and presented in the format prescribed in the Division I to Schedule III to the Act. The disclosure requirements with respect to items in the Financial Statements as prescribed in the Schedule III to the aforesaid Act, are presented by way of notes forming part of accounts.

c) Use of Estimates:

The preparation of the Financial Statements in conformity with Indian GAAP requires the management to make some estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Some of the estimations require higher degrees of judgement to be applied than others. Management continually evaluates all of its estimates and judgements based on available information and its experience and believes that the estimates used in the preparation of the Financial Statements are prudent and reasonable. Future results may differ from these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialized.

Maharashtra Rail Infrastructure Development Corporation Limited
Notes forming part of the Financial Statements: 2022-23 (Contd)

d) Current / Non Current classification:

The company as required by Schedule III in preparation of financial statements is required to present assets and liabilities in the Balance Sheet based on current / non- current classification. All the assets and liabilities which are Recoverable / Payable within a period of 12 months are classified as current assets /liabilities.

e) Functional and Presentational Currency:

The financial statements are prepared in Indian Rupees, which is the company's functional currency.

f) Revenue Recognition:

- The company has applied AS 9 "Revenue recognition" which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised and in lines with AS 7 (revised) "Construction Contracts"
- The contract revenue is booked as per Percentage completion method, the company has formed a policy that completion of work is less than a substantial limit i.e 20% than company may not recognise revenue and allocates cost incurred as Work in progress. As and when work completion percentage is more than substantial limit of 20% of total estimated expenses than the company recognises the proportionate revenue of work completed for that contract in books of accounts and financial statement.
- Revenue from project work is recognised as follows:

Fixed price contracts: Revenue represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is determined as a proportion of cost of work performed to-date to the total estimated contract cost.

Cost plus contracts: Revenue is recognised by including eligible contractual items of expenditure plus proportionate margin as per contract.

- Other Non- Operating Income:
Other Non operating income are reported on realisation/ accrual basis (viz Income from sale of scrap, Interest Income, Tender & Bid fees etc)

The Interest income on Investment made from unspent funds of the projects of the company is recognised as it accrues using the Effective Interest rate (EIR) method. Financial income is included in other income in the statement of profit & loss.

g) Property, plant and equipment:

Property, plant and equipment are stated at historical cost less accumulated depreciation and

Notes forming part of the Financial Statements: 2022-23 (contd)

impairment, if any. The cost of property, plant and equipment comprises its purchase price, including any import duties and other taxes net of recoverable taxes, where applicable, and directly attributable expenditure and other incidental expenses and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date of put to use and net of any trade discounts and rebates.

Property, plant and equipment under construction as at balance sheet date are shown as Capital work-in-progress (CWIP).

h) Impairment of property, plant and equipment:

The carrying values of property, plant and equipment at each balance sheet date are reviewed for impairment. If any indication of such impairment exists, the recoverable amount of such property, plant and equipment is estimated and impairment is recognized. The impairment loss (if any) recognized is charged to the statement of profit and loss in the year in which the property, plant and equipment is identified as impaired.

i) Depreciation on property, plant and equipment:

Depreciation on tangible assets of the Company has been provided on the Straight Line Method as per useful life prescribed in Schedule-II of the Act on pro rata basis on the assets purchased during the year, for the period the assets are used.

Since useful life of the assets are considered same as prescribed in clause C of Schedule II of the companies Act 2013 the same has not been disclosed separately.

Individual assets costing less than Rs.5,000 are charged to revenue at the time of purchase.

Intangible assets are amortized on the Straight line Method over their useful life considered to be 3 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and amortization methodology is revised to reflect the changed pattern.

j) Other non-current assets:

Cost incurred by the company for various projects undertaken is shown as Project Work-in-progress and has been disclosed under 'Other Non-Current Assets'. Expenditure directly relating to projects and expense directly attributable to the various components of the project is accounted as Project Work-in-progress under respective heads.
